#### A View from the Chair

The NSPCC on behalf of SportWales is introducing new child protection standards to all sports in Wales.

In January this year they gave a presentation to TTW directors outlining the details of the

new standards.

We have already attained level 1 with our present procedures and now need to move to level 2 of a three-level programme.

I m pleased to confirm that Lesley O`Connell has volunteered to help us with the work required to progress to the higher levels. Lesley currently works with multi-agencies dealing with child protection in the community and we are grateful for the additional knowledge and experience she brings.

One of the most important elements of the standards is the appointment of local child protection welfare officers in all regions. I would be very pleased to hear from any individuals who might have some experience of such work and is interested in volunteering - or who may be interested in being trained for such a vitally important role.

## Welsh Primary Schools Championships

On 20 Feb the Welsh Primary School Championships were held at Sophia Gardens. A full entry of 36 teams made for a busy day for the children, their coaches and indeed the organisers!

After a tight last group the winners were St Marys A from Cardiff - narrowly pipping Grange A from Swansea who took the runners-up spot. Upper Rhymney was third with Llangan A from near Cowbridge finishing fourth.

The behavior of the youngsters was exemplary. An award was made to the team which showed the most sporting, respectful and friendly attitude. This was very difficult as all the children behaved impeccably but TTW director Gareth Evans made the award to Llangan B – who finished  $15^{\rm th}$  overall.

## Butterfly Team Championships of Wales

#### Veterans - 16/17 Febuary 2013

In the Veterans final weekend of the season at W.I.S. the outcomes of both divisions went down to the final round of matches in both divisions.

On the Saturday Cardiff gave themselves hope of snatching the Division 1 championship by recording a very good 7 - 0 win over the leaders Ynys Mon leaving them level on points with Ynys Mon, who stayed top by having a slender two game advantage going into the Sunday matches.

On the Sunday they both won their first match 7-0, so Cardiff needed to win 7-0 and hope that Ynys Mon would drop 2 games to Eastern Valley A. Cardiff went on to beat Carmarthen 6-1 but it was to no avail as Ynys Mon also showed their championship qualities by defeating Eastern Valley - also 6-1. Cardiff A received some compensation as Neil Wright topped the averages with 90 % - closely followed by Phil Biggs (Ynys Mon) with 87.5% and Paul Collins (Ynys Mon) with 85 %.

In division 2 the fight for the championship was between unbeaten Swansea A and Bridgend who were 2 points behind but still had Swansea to play. On the Saturday Swansea suffered a major reverse when Cardiff C beat them 4-3. This enabled Bridgend to go top by virtue of a better game difference. The outcome of the championship rested on the final match of the session on Sunday between the 2 teams. Bridgend won the first 2 rubbers with Swansea taking the  $3^{rd}$ . In the crucial doubles Bridgend won 3-2 to take a 3-1 match lead. Swansea's Nigel Stopher gave some hope when he narrowly defeated previously unbeaten Paul Booth to make it 3-2. Ceri Higgon sealed it for Bridgend when he overcame Mike Rees, with Hywel John going on to win the final rubber for a 5-2 win.

In the play-off match for Division 1 status Eastern Valley B had to play Swansea A in what was to be the closest and most exciting match of the day. The first two matches saw Eastern Valley's Nigel Gore beating Kevin Gertsen 3-1 & Andrew Ryder beating Nigel Stopher 3-0. Swansea's Mike Rees then defeated Frank Hillier 3-1. The Swansea pair won the doubles to level the match at 2-2. Nigel Gore then beat Nigel Stopher and Kevin Gertsen levelled the match by defeating Frank. The last match was a very hard fought game going to the fifth which Mike Rees won to give Swansea victory.

#### Team Championship of Wales Seniors March 9/10. 2013

Unfortunately this final session was spoilt by a clash with the 6 Nations Junior & Cadet Tournament which robbed some clubs of their foremost players particularly Ael Y Bryn & North Gwent. However due to the strength of the clubs they were able to complete their fixtures with a full complement of players. This was unavoidable due to the rescheduling of the 6 Nations after the Championship dates were set.

#### **Seniors Division 1**

The Championship title went to the very strong Cardiff City T.T.C. trio of Yongbo Zhang, Wiktor & Waldemar Dzwonkowski who won all their matches. The second placed team being North Gwent A. Cardiff League B was the relegated team. The Cardiff trio only dropped 4 sets throughout the tournament with each of the three losing one match each during the final weekend. Neil Wright of Cardiff League A was the only player to defeat Yongbo. The next to lose his unbeaten tag was Wiktor who was beaten in the fifth game by Dean Cundy of Ael Y Bryn. Waldemar was unbeaten going into the Sunday fixtures but in the final match against North Gwent he also lost in 4 against Scott Johnston. Other notable wins were Andy Smith over Patrick Thomas, Ben Avery beating Dean Cundy and Alex O'Connell overcoming Neil Wright. The top player in Division 1 averages ultimately went to Wiktor Dzwonkowski by virtue of winning one more leg than Waldemar.

#### **Seniors Division 2**

In what was the most competitive division the title went to Carmarthen A who pipped both Cardiff City C and North Gwent by 2 points with Cardiff City in second place on game difference. For Carmarthen Jason Peckham was unbeaten but due to illness was unable to play on the Sunday and this probably accounted for their 2 losses that day. He was ably supported by David Lloyd who only lost 2 matches throughout the tournament and Vince Dragone. The Cardiff City trio of Xiaotian Wang, Xiao Ling Qiang & Yanying Guan made huge improvements over the season to finish worthy runners up losing only to Carmarthen in the final 2 days. Laura Price of North Gwent B took a significant scalp when she defeated David Lloyd. The relegated team was Bridgend A. The top player went to Jason Peckham as the only undefeated player with David Lloyd in second place.

#### **Seniors Division 3**

This division was dominated by St. Mellons who went through unbeaten. The team of Peyman Mollaei, Thomas Goodall and Tony Williams sweeping all before them.

Swansea B was in second place although they were unfortunate to lose unbeaten Tommy Heydon to the 6 Nations. Laurence John, Marc Castro were ably supported by James Lobb. The veteran team of Martyn Fenner, Simon Packer & Andrew Joules competed well to finish third. The top player went to Peyman Mollaei who was undefeated throughout the tournament with Laurence John in second place and Thomas Goodall third.

## Around the regions

#### Cardiff

All league & club organisers are urged to let us have information on what is going on in their areas - which we will do our best to publish. Email your copy to philipaveryco@hotmail.com

In February four Cardiff regional players travelled to Burton Uxbridge for the 1\*Star Junior Open. Macualey Morgan, Alasdair Weir, Elliot Wiendburg and Joseph Roberts made the trip with Regional Coach Simon Oyler.

After an early morning trip it was Joseph Roberts who showed what he is capable of by winning all his matches in the Under 11's Round Robin Group of 7 players to make up for his second place last time around. Joseph played extremely well and was very happy to win his first 1\*Star title.

Macauley was the only player to get through both Junior and Cadet groups and lost in the Quarter finals of both to the same player. Elliot Wienburg and Alasdair Wier lost out in both Junior and Cadet Groups on count back.

The young welsh superstar Joseph Roberts continued his form into the under 13's event and won his group beating Sam Welsh to top spot. Joseph won his quarter final match 3-0 to set up a semi finals showdown with the young and talented Joey Chen, Joseph started well in the first set but went down 11-9, the second set also went to the young Chen 11-6. After being 2-0 down Joseph showed some great determination to try and get back into the game but it just wasn't to be on this occasion and lost out 13-11 in the 3rd set.

All the players showed great courage and determination to do their best at the tournament, it is now back to the training hall to put in more hard work to better ourselves next time around.

Congratulations to the Joseph Roberts who at 9 years old won his first Under 11s 1\*Star title.

Callum Evans also reached the final in the u15 boys competition before losing to Chris Wheeler 3-0. Callum played well on route to the final and really went for it against the Scottish Number one but was a bit too inconsistent when it mattered most.

# Table Tennis Wales achieves Foundation Level of the Equality Standard for Sport

As mentioned in our last newsletter we have been working for some time to establish our inclusion credentials by, as a first step, reaching the Foundation Level of the Equality Standard for Sport.

After a panel meeting on 21 February we are glad to announce we have attained this award. The Equality Standard Panel commented that they: "acknowledge the support and commitment of the Table Tennis Association of Wales Board to equality and recognise their ambition to achieve equality in the sport".

The Equality Standard for Sport was launched by the UK Sports Councils as a tool to help sports both measure and address the level of equality of participation within them. It is based around a robust and honest assessment of the realities of a sport followed by the development of an action plan to address inequalities and widen opportunities at all levels for under-represented groups

We now look to progress to further levels over the next years

## Eupal Dragon 10 March
